## Intro:

C#m A E B  
Let it rain, let it rain Open the floodgates of Heaven

## Verse:

C#m  
Woke up early this morning you see  
A  
God spoke a word unto me  
E  
Son you've got so much work to do  
B  
Lets hurry up before the day is through  
C#m  
Ok Father, what ever you say  
A  
This is your will this will be your way  
E  
lets get going we've got a lot do  
B  
i gotta get going I've gotta be strong too  
C#m  
strength from the outside, strength from within  
A  
strength from places I've never even been  
E  
strength all around me strength from the floor  
B  
strength from the inside I've gotta have more.  
C#m  
i hit the streets with all that i have  
A  
trying to do your work the best that i can  
E  
some times i find strength inside me

B

sometime its supernatural as can be

C#m

Another day, another soul saved

A

Another soul, saved by your grace

E

Another child of the upmost high

B

saved by the God who loves you and i

C#m

I thank you Jesus, with all of my heart

A

you saved my soul you saved by life,

E

i have my ups and i have my downs too,

B

but I wouldn't have anything, if it wasn't for You

m,
