Key of D

Casting Crowns

Intro:

D A F#m E

Verse:

I came to you with my heart in pieces
And found a God with healing in His hands
I turn to you, leave everything behind me
And found a God that makes all things new
I look to you, drowning in my questions
And found a God who holds all wisdom
I trusted you, I stepped out on the ocean
You calm my hand among the waves

Chorus:

Cause you're the God of all my days
Each step I take, you make a way
And I will give you all my praise
My seasons change, you stay the same
You're the God of all my days

Instrumental:

A F#m E

Verse:

I ran from you and wandered in the shadows
And found a God who relentlessly pursues
I hid from you, haunted by my failure
And found a God whose grace still covers me
I fell on you when I was at my weakest
And found a God, the lifter of my head
I worshiped you and felt you right beside me
You're the reason that I sing

Cause you're the God of all my days
Each step I take, you make a way

My seasons change, you stay the same
You're the God of all my days
