Trapped in my flesh & bone

Crying out to You Lord, I'm desperate

C G  
Love come rattle this cage and set me free

All of my fears, like Jericho walls,

Gotta come down, come down

All of my fears, like Jericho walls,

C G  
Gotta come down, come down (oh lord)

D  
My prison turns to ruin

C G  
When Your love moves in

oooooooooooooh Long before I ever called your name you were fighting for my  
<sup>D</sup>  
victory

Carved in Your flesh and bone  
<sup>C</sup> <sup>G</sup> <sup>D</sup>  
The wounds that have said my souls forgiven  
<sup>C</sup> <sup>G</sup>  
Oh now I can feel the darkness trembling
