Can't you see Him working on the outside? I can see Him moving on the inside

So come and enter in and cast your cares on Him

He'll open up a window and pour you out a blessing

'Cause when the Lord steps in

He brings everything you need Healing, power and victory

Said it's all up to you Whatever you need Him to do

Just trust Him and believe and then by faith you will receive

The presence of the Lord is here!
